

## Announcements and Such

- Administrative Stuff
  - **HW #5 grades and solutions have been posted**
    - \* People did generally rather well on this one.
  - **HW #6 is due on Friday (April 22)**
    - \* Consists of two (sets of) probability problems: one involving general algebraic reasoning, one involving numerical calculation.
    - \* I will post the grades and solutions to HW #6 early next week.
  - **I have posted a *Practice Final Exam*. We will go over it today.**
  - **I will also be doing *course evaluations* today. I need a volunteer to collect the evaluations and bring them to the philosophy Department office (to Ben Flickner, at 371 Holmes Hall).**
  - **My office hours for the rest of the term are: today (3:30–4:45) & next Wednesday 4/27 (2–3:30pm). I have *none* this Friday.**
