

Philosophy 142 Homework Assignment #1

September 5, 2008

Classical Logic

You are to answer the following six (6) problems from p. 19 of the text. Please make your answers as legible and complete as possible. Explain all of your reasoning (where appropriate). Write your name, section time, and group members' names (if any) on the front of your assignment (in the upper-right corner).

1. #1(*a*)
2. #1(*c*)
3. #1(*e*)
4. #1(*g*)
5. #1(*i*)
6. #2
